Junior and Youth sailing 2009

Junior sailing

WSC will be providing a series of two day junior RYA courses during the spring and summer of 2009. These courses will run between May and October with start times as detailed in the program. Each day will last approximately 6 hours. The programme is open to children aged between 7 and 18 years of age and who are capable of swimming at least 50m Children should provide their own personal buoyancy aid and clothing which should include a wetsuit or drysuit, wetsuit shoes, a windproof top, gloves and hat.

The primary purpose of the training course is to improve skills and knowledge. It is intended to be a course that introduces children to the sport as well as helping develop those children who have some basic skills. The course is based on the RYA syllabus with a particular emphasis on fun. The Club is authorised to award RYA certificates for levels I, II and III to those participants who achieve the relevant standards. The training courses will make use of the club's Fevas, Picos, Lasers and instructors own boats although participants are also encouraged to use their own insured boats at their own risk

Cost

The cost of the course to members will be £20 per person per week-end for each course.
Non-members, friends or family will need to pay an additional £5 per course; total of £25.

Youth sailing & Racing

The primary purpose is to provide supervised practice sessions for the more experienced sailor. The aim is to improve skills to the extent that all students can become involved in a race on the Sunday of that week-end. A special course will be set for the students who will start after the main racing fleet has started. The activity will make use of the club's Fevas, Picos, Lasers and instructors' own boats. Participants are also encouraged to use their own insured boats at their own risk.

Cost

This is free to members who use their own boat. There will be a charge of £5 per day if a Club boat needs to be used. Non-members, friends or family will need to pay £5 per day plus £5 per day if a Club boat needs to be used. It is possible to do only 1 day if preferred.
